Fay and Mrs. Virginia Fay, formerly of Lexington, now residing in Arlington. Mr. Fay is currently studying at Boston University College of Business Administration. No date has been set for the wedding.

Rep. Keenan To Be Installed Kiwanis Pres.

Thursday, January 5, 1950, is the date when Representative Henry E. Keenan will be installed president of the Kiwanis Club of Arlington, while the same occasion will highlight the official assumption of duties for the remainder of the officers and directors of the organization, for the year 1950. The dinner will be held at 6:30 p.m. at Steubens Restaurant, 114 Boly-ston street, Boston.

HOLIDAY ACCIDENT TOLL HERE LIGHT

The 1949 holiday season has now passed leaving in its wake the grim record of the death of one youth and another probably maimed for life. When the final count was taken, it disclosed that with the above exception, the total of twenty minor accidents throughout Arlington, has kept the holiday mishaps to a minimum, much to the sur-

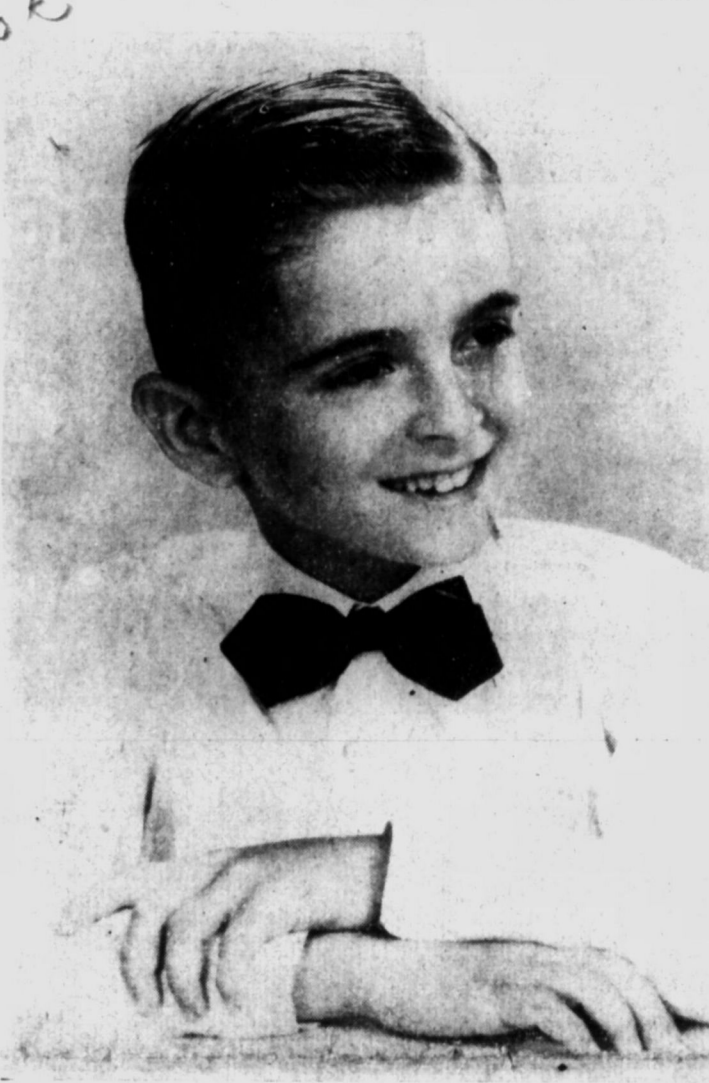

prise of the Arlington police department, which was prepared to cope with what appeared in anticipation a possible catastrophe New Year's weekend. Only two accidents were reported at police headquarters, with eight cars being removed from the highways due to improper or lack of registration.

Election And Town Meeting March 6-20

At its meeting held on Tuesday evening, January 3rd, the Arlington Board of Selectmen, announced Monday, March 6th, as the date for the annual town election, and Monday March 20th, as the date for the annual town meeting. The warrant opened January 3rd, to close on Monday, January 23rd. If an adjourned meeting is found necessary, the date of same will be announced at the close of the town meeting on March 20th.

Mrs. William Walker, was hostess at the regular bridge and whist party of the Arlington Catholic Women's club, held on Tuesday afternoon, at the American Legion Hall, at two o'clock. A large committee assisted Mrs. Walker.

Due To Precinct Changes, Town Meeting Members Must Re-Enter

Survey By Board Demands That 62 File As New Candidates: Group Form Of Filing Allowed

Garden Club Meets Jan. 11

Mr. A. F. MacDougall, director, Middlesex Extension Bureau will address the Arlington Garden Club at the next meeting on Wednesday January 11, at 2 p. m. at the Robbins Library Hall. His subject will be "Food and Sprays for Growing Plants".

Members of the Hospital Service Committee and volunteers who spent all day a week ago Monday at the Bedford Veteran's Hospital, making an arranging the Christmas decorations were: Mrs. Charles W. Wright, Mrs. L. A. Morrissey, Mrs. Hanlan M. Carter and Mrs. Francis J. Davidson.

APPROVE STREETS FOR COASTING

The Arlington police department in order to safeguard the safety and lives of the youngsters, have approved various streets for coasting. The department requests parents to see that their children obey the coasting regulations as to locations and hours during which coasting is permitted.

Following their recent meeting, the Arlington Board of Selectmen have announced that they had carefully reviewed the matter on the boundaries of the Town Precincts and of Town Meeting Membership, which according to law, must be done every five years.

As a result of this survey, the board announces that sixty-two town meeting members must re-enter as candidates, at the new lines drawn up for precincts 11 and 13, and the changes which reduce Precinct 6 to fifteen members from the former eighteen, and Precinct 14 having been raised from eighteen to twenty-one members as a result of the new survey, mean that these sixty-two members if they care to run, must become candidates for election considered by law as running for the first time.

Town Clerk Golden further states that a group form of filing is permissible with each candidate signing, and also carrying the signatures of ten registered voters in the precinct. The Town Clerk has also written each of the fourteen precinct chairmen, requesting information, and operation. He further states, that any town meeting member, besides those from the four altered precincts, may become a candidate for re-election, without the necessity of obtaining ten signatures, if the office of the Town Clerk is so notified by January 23rd, 1950. The absolute deadline for filing is January 30th, 1950. All those filing after January 23rd, must have ten signatures from the precinct.

The changes made in Precincts 11 and 13, mean that the boundary line which runs down Forest street, between the two precincts, which used to deviate at Forest street place, and run thence along Clark street, has now been straightened to run along Forest street, within a turn, which gives to this area a little more territory, but there is no change in representation in either precinct, both remaining with the total of eighteen town meeting members allowed. However, because of this change in boundaries, the members from both precincts must re-run. Thus no present member is entitled to have printed after his name on the ballot the words, "candidate running for re-election," as all are running for the first time in the sight of the law. Dates of term expirations also are ignored.

In regard to the review made by the Board of precinct six, it was (Continued on Page Two)

Chief Bullock Marks Nineteen Years Of Distinguished Service

THE ARLINGTON PRESS takes this opportunity of extending its congratulations and best wishes to Police Chief Archie F. Bullock, who today (Thursday) marks the completion of nineteen years of continuous service as head of the Arlington Police Department.

Chief Bullock's record has covered more than thirty years of

continuous and distinguished service in his chosen work. Previous to being appointed police chief on January 5, 1931, he made an enviable record for himself and for the Department throughout New England, as sergeant during the hectic readjustment years following World War One.

His many friends and associates

throughout New England unite in wishing him happiness and continued success throughout the coming years, and sincerely hope that in many more years of active service in his important position as head of the Arlington's finest, he will continue to uphold the finest traditions of the department.

George A. Harris Holds Fine Record In Town Activities

George A. Harris, who is a candidate for the office of Moderator in the coming town election, has been a local resident and home owner for nearly a quarter of a century. In the past sixteen years he has served Precincts 3, 8 and 12 as a Town Meeting Member. He has been a Precinct Chairman and the outgoing Moderator, Ernest W. Davis, has appointed him to several official Town committees.

Mr. Harris states, "The many citizens who have approached me

with the request that I run for Moderator have asked me to run on the basis that I have been active in town matters for years; that I know what is going on in Arlington and that I am not afraid to stand firmly by my convictions. To them, for their confidence, I am grateful and will do my utmost to actively campaign for the town's interests".

"There are items, other than residing at Town Meetings, that are to be considered. Considerable resentment, at times, has been had

at past appointments to the various committees. I believe the position of Moderator is on that must, at all times, be one of fair play to all. When elected, it is my intention to ask, from the floor, for volunteers from the Town Meeting members, which together with other citizens, will form a nucleus for any appointments that I, as Moderator, may make. It is my firm promise that I will endeavor, in appointments, to see all sides, if any on (Continued on Page Two)

VISITING NURSING ASS'N ANNUAL MEETING JAN. 10th

The annual meeting of the Arlington Visiting Nursing Association will be held Tuesday, January 10th at Robbins Library Hall, at 10:30 a. m.

Miss Ethel Brooks, State Supervisor of Nurses, will speak on: "New Trends in Public Health Nursing".

The work of the Visiting Nurse is vital to the welfare of Arlington, and the public is cordially urged to attend this important meeting, and to join in the coffee hour at 10 o'clock.

UNIQUE SERVICE

A unique New Year's candle light service was held in the Arlington Heights Methodist church, on Sunday evening, at seven o'clock, under the auspices of the Senior Fellowship, with Richard Carlson, the president, as leader.

Donald F. Bresnan Announces Candidacy

Donal Bresnan of 1125 Massachusetts avenue has announced his candidacy for the office of Park Commissioner in the March 1950 Town Election. The present Chairman, Daniel A. Purcell, has stated that he will not be a candidate for re-election.

His many friends, aware of his knowledge of the functioning of hundreds of Park and Recreation Departments in the New England area urged him to become a candidate.

He is a former Town Meeting Member and headed the extremely popular and successful non-partisan Town Meeting Member Campaign for increased interest and attendance on the part of the elected representatives at the Town Meeting last year. He is active in

the Auxiliary Police Youth Program and is also a member of the committee investigating the feasibility of erecting a Memorial Sport Center in Arlington.

Mr. Bresnan is also a member of the American Institute of Park Executives, the National Recreation Association, the American Recreation Society, and was one of the founders of the Maine State Park and Recreation Association and the New Hampshire Park and Recreation Society.

He is a lifelong resident of Arlington, attending Arlington High School, and attended Tufts College majoring in Civil Engineering. During the war he served overseas as the Inspector General of the 96th Infantry Division with rank of Major.

Presidents' Group Plans Boys' Club Assembly

A sense of responsibility was manifested in a recent assembly of forty-six boys at the Arlington Boys' Club.

This assembly of boys was in no sense just another good time gathering for entertainment or sport. For these forty-six boys were the democratically elected and duly authorized representatives of over 200 boys. They were the presidents, and vice-presidents of twenty three group clubs.

True, they enjoyed a spaghetti supper prepared by two good-hearted women, who donated their time. But the boys knew that this gathering was something different than any other they had attended.

They listened attentively to short talks on leadership, responsibility, and unselfishness. They listened as they were told that upon them rested the responsibility of helping plan and run a January Group Club Assembly, an assembly unique in boys work.

But a very important decision was to be made right away at this meeting. A President of all the Presidents was to be elected, a boy who would head up the young executive.

A tall, quiet boy, James Curtin, Rams Club president, was elected to this high office. The Presidents then named an executive committee of group club presidents (Warren McAdoo, Luke O'Halloran, Dave Shaybe, and Charles Pibott) who met at a luncheon to lay plans for a Group Club Assembly.

Presidents and Vice presidents of group clubs are Ted Ridge, Frank Millerick, Henry Bulen, Charles Mouradian, Jack Seltun, Larry Gray, James Curtin, Bob Williamson, John Reilly, Ronald Valley, Tom Fied, Dave Shaybe, Don Constantino, Bob Caterino, Joe back, Dave Wright, Henry Eagan,

J.; David Pratt, from Tulane University, New Orleans, La.; Robert Moore, from Williston Academy, Easthampton; Glenn Barker and Everett Hatch, from the University of Massachusetts, Amherst; Miriam Olson, from Bates College, Lewiston, Maine; Nancy Perham, from Westbrook Junior College, Portland, Maine.

Dr. and Mrs. Foye Mark Silver Date

Dr. and Mrs. L. Curtis Foye, of 88 School street, Arlington, celebrated their silver wedding anniversary on Sunday. Dr. Foye is a school physician, board of health physician, and president of the Arlington Council of churches.

Miss Nelson Honored

The insurance career of Beatrice C. Nelson at the John Hancock Mutual Life Insurance Company of Boston is highlighted in the November issue of "The National Insurance Woman". Miss Nelson, who is a division manager in the Ordinary Policy Department at the John Hancock, lives at 325 Gray street, Arlington.

HONORED AT BATES

Robert E. Lennon, of 183 Highland avenue, he son of Mr. and Mrs. Walter Lennon has been elected president of the freshmen class at Bates College. He has also the distinction of being the first freshman to be elected to the student council.

The Arlington Citizens Committee announce that they will again conduct an active Town Meeting Campaign this year. As you remember, last year's campaign, the first undertaken for this purpose by an organization in the town, was extremely successful. The Town Meeting Member attendance in the annual and special Town Meeting jumped from 58 per cent over a six year period to 6 per cent for the year 1949 alone. Plans are underway to increase this figure to well over 90 per cent in 1950.

There are 136 vacancies at the present time ranging from five to

MDC Land On Mystic Lakes Not To Be Sold At Present

In a letter received from Nelson Curtis, secretary of the Metropolitan District Commission, Representative Henry E. Keenan was advised this week that no sale will be made on the parcel of land owned by the Metropolitan District Commission on the Mystic Lakes, adjacent to the Medford Boat Club, until after the town meeting of the Town of Arlington to be held in March, 1950.

This action is a result of a hearing held on December 1 of this year wherein many residents of that area requested that the sale be

held up until the town had a chance to vote on it at the next annual town meeting.

It is presumed that the residents of this area will now petition the town to take the same over for park purposes.

APPOINTED BAPTIST CHAIRMAN

Appointed publicity chairman for the Northern Baptist Convention to be held in Boston next May, is Gordon Sanders, of 11 Hawthorne avenue, Arlington. Mrs. J. Clark Syman, of 62 Richfield road, is chairman of dramatization and pageants.

SURVEY —
found that the number of registered voters here had decreased in proportion to the total number, while in precinct fourteen, the number had increased. For this reason, precinct six will have only fifteen members (formerly eighteen) and precinct fourteen will be entitled to twenty-one members under the change, (formerly eighteen members).

Under the law, the number of members from each precinct must be divisible by three — the total number for the town near 240 is possible. Thus 62 members, if they care to run, must become new candidates for election, that is, 15 from Precinct 6, 18 from Precinct 11 and 13, and 21 from Precinct 14.

Town Clerk, Golden has ruled that the group form of filing is permissible, with each candidate signing, and also the signatures of ten registered voters in the precinct. Golden has also written each of the fourteen precinct chairmen asking for information and requesting his cooperation.

Pointing out that any town meeting member, outside of those from the four revised precincts, can become a candidate for re-election without ten signatures, if his office is so notified by January 23, 1950. Persons filing after the 23rd of January must have the ten signatures from the precinct.

HARRIS —
all questions under committee study are represented by advocates for or against any problem that confronts the town".

"As for my qualifications to preside, it is a well known fact that I have been involved in the many parliamentary procedures that develop during town meeting and not once did I fail to know, understand or express the rule under which we are working. I have been for a long time a student of rules and regulations of such procedure and have handled organizational groups as large as 400 or more, wherein I was acting as the chairman (or Moderator) of said gatherings. I am confident my conduct of town meetings will be business-like and efficacious".

"In striving for excellence, I will not confuse issues. Aiming at maturity of ideas, I will not be swayed from my path of fair play by little vote seekers. Wanting to help our citizens continue to make a success of the institution of self-government, I shall unceasingly look askance at demagogues and I will not accept the frame of reference or definitions put forth by pressure groups and intense minorities. I will not be a party to confusing "liberalism" with fiscal imprudence or with government spending designed to elect public exploiters rather than sincere and honest servants. I can recognize

that this year can and should be a never finished while there is yet fruitful year; that it can end with life. I shall be helpful, therefore, out solving all our local problems, even when I am not hopeful".

The Roy Websters Note Anniversary

CELEBRATE 58TH ANNIVERSARY

Congratulations and best wishes are in order for Mr. and Mrs. Wilard U. Pike, of 28 Albemarle st., who on Sunday celebrated their 58th wedding anniversary. Married in Alameda, California, they have made Arlington their home for more than forty years.

52nd ANNIVERSARY

Congratulations and best wishes are in order for Mr. and Mrs. Henry J. Pierce, of 45 Grafton street, Arlington, who on Thursday, December 29th, marked their 52nd wedding anniversary. The couple who are in excellent health, were married in East Cambridge, and have resided in Arlington for the past 20 years. Prior to his retirement, Mr. Pierce was a sewer and construction contractor. The Pierces have four sons: Raymond H. William Jr., Francis X., and James B. Pierce, all of Arlington; one daughter, Mrs. Louise Conroy, of Providence R. I., and seven grandchildren.

Mr. and Mrs. Roy Webster, 15 Ronald road, held open house on New Year's Day, to their many relatives and friends on the occasion of their twenty fifth wedding anniversary.

The Websters have resided in Arlington for more than twenty years. They have five sons: Humbert, of Concord, Richard, who resides at home; Earl, a member of the United States air force; David and Roy Junior. Mr. Webster Sr., has been associated for many years with the Theodore Schwamb Corporation of Arlington.

Mrs. Charles Hems, of 76 Appleton street, is enjoying the Christmas holidays with relatives in New Jersey.

Free Dental Child Care

Some months ago, the Arlington Veteran's service was advised that free dental services were available at the Boston Dispensary.

The Service has now been informed that on October 1, Tufts College Dental School took over the dental services previously maintained by the Boston Dispensary.

The Tufts dental school is now offering dental care to children under ten years of age up to the tenth birthday in the Dispensary, and in the same location as the former Dispensary Dental Clinic.

Dental care for all persons ten years of age or over, will be offered in the clinics of the Tufts Dental school, at 136 Harbors ave., which was opened about December 1st. All requests for appointments should be made directly to the clinics.

CHRISTMAS PARTY

An orderly group of 450 boys attended the Boy's Club Junior Christmas Party on Dec. 23, loudly acclaiming the skits enacted by Boy's Club members, and leaving the club at nine o'clock with 450 oranges, 450 ice cream packages, 250 pounds of candy and 450 smiles.

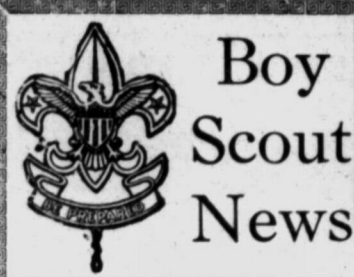

Several group clubs furnished the entertainment including the Rebels, Crusaders, Dead End Kids, Terriers, Red Eagles, Wranglers, Navajos, Varnum Junior Gang and Commandos.

These skit-plays ran from railroad to grave yard plots. No boy hesitated or was abashed as he stepped on the stage and spoke into the microphone, and went through his stunt.

Bobby St. George 9, and Billy St. George 10, harmonized in beautiful singing.

Other boys with unusual singing gifts on the program were Ronald Sousa and John Fraser.

Others on the program were Bob Shea, piano. Bob Roper, piano, Robert Denman, a master on the harmonica and Jerry Denman, who played the harmonica by ear literally.

Cub Pack 87 held its annual Christmas party Friday night, December 16, at the Cutter School. The feature of the evening was a quicker-than-the-eye demonstration by two Arlington magicians, William Cronin and Donald Kelly. Their Chinese tricks had the Cubs hanging on to their seats.

Another feature was a cake contest, won by Mrs. James Malatesta, whose cherry-covered cake won unanimous approval and was judged best of the eleven entries. The cakes, along with ice cream, were served later to the Cubs and their parents.

After the entertainment, all Cubs were presented with gifts of key chains and automatic pencils. The boys displayed the results of their De Handicrafts: mended toys for children in hospitals, bright-colored containers made from coffee cans, woodland scenes built into shoe boxes, and varnished plaques with the Cub promise in raised letters. Some of the Cubs have been making hot-pads for presents.

Cubmaster Robert Bowser led eight Cubs in a flag ceremony, and several awards were made: one gold and three silver arrows to John Herzog; a Lion badge to Bobby Bowser; Bear badges to Peter Fryer, William Mowat, David Doctoroff, Allen McKenzie, and James Donovan; and Wolf badges to Richard Santos and Harvey Rice. All of the Bobcats received their certificates of registration from Don Johnston.

The party ended with exuberant singing of Christmas carols led by Mr. Bowser and accompanied by Mr. and Mrs. Emerson on the violin and piano.

Earlier in the month, Pack 87 enjoyed a night visit to the new Boston telephone building.

The Christmas party for Pack 43 was held on Dec. 9. This year, instead of exchanging gifts, each Cub brought a gift, to be sent to the underprivileged children and distributed by the Hale House in Boston's South End.

A skit showing the spirit of Christmas was presented by Den 4.

The monthly contest was won by Den 7. Movies brought the evening to a close.

Certificates for completion of the Training Courses were presented to eleven Den Mothers and two parents.

Cub awards went to: David Allen, Bear, Gold Arrow; Robert Zartarian, Bear; James Quinn, Bear; Robert Fanning, Silver Arrow (w); Bear, Gold Arrow; Philip Laufman, Bear, Gold, 2 Silver Arrows; Frederick Turner, Silver (B); Gold, 2 Silver Arrows; Wayne Bower, Webelos; Paul Seery Den Chief; and Jay Smith Den Chief.

Year Pins were presented to Malcolm Gray, Peter Lane, David MacDonald, Edgar Groome, Frederick Turner, Wayne Bower, Roger Neal, Richard Troy, David Buck, Jack Donaldson, Alan MacDonald, Marshall Thompson, David Mudarian, Arnold Bradford, Philip Laufman, and Byron RRooscoe.

TAKES ALL KINDS: In this remarkable city there are remarkable people who make it just as much a notable metropolis as do those citizens here who are nationally and internationally publicized. We could tell, for example, of the 62-year-old Howard Wade Kinsey, superintendent of the Chinatown Mission of the Rescue Society, who's not only a straight shooter in helping out fellows who are down and out in this area so close to the Bowery, but who also can fan a six gun with the ease with which his father and grandfather, who taught him how to do it, did in the old days of the West when badmen were all over the place. His father was a marshal in northwest Missouri before he became a country doctor and Methodist circuit rider. The James boys were his neighbors, and he says his pop taught all his sons to be fire-arms experts from the time they were eight years old. Now, in his own words, he is a "bluenose, wet-blanket, prohibition psalm singer." None the less, he sees that after services every night, homeless men get bread, stew and coffee.

ANIMAL FAIR: There is also William Bridges, curator of publications for the Bronx Zoo who, with such accomplished aides as keeper Joe Bell, has one heck of a time getting various birds and beasts safely into their winter quarters so they'll be there when spring arrives. Duck-billed platypuses, birds of paradise, migrant owls, and monkeys present their particular problems as do the other creatures, who have to be lured indoors from their outdoor enclosures by special devices including humane traps and foods of which the various creatures are especially fond. Recognition also should go to Dr. Leonard Steiner and nurse Helen Sillop, who spotted the stray white puppy who spotted by himself limped into this city's famed Bellevue Hospital's emergency dressing office on three paws. Doctor and nurse gave him an instant examination and sterilized and bandaged the cut fourth paw. The pup was adopted immediately by the 10-year-old daughter of Jack Cronin, one of the institution's special patrolmen.

INSIDE NEW YORK: This all came about as a result of a conversation with Bret Morrison. You see, when Bret's not playing the role of "The Shadow" on Mutual on Sundays, he likes to spend some of his spare time strolling our metropolis' streets. For example, he mentioned the Independent Subway System's Washing-

March Of Dimes Campaign Against Polio Jan. 16-31

William Sinclair, Arlington Chairman of the 1950 March of Dimes campaign, revealed, this week that Basil O'Connor and the national police foundation are reasonably certain that this dread disease has been licked, and that within two years, the nation can immunize our children from polio. Most of the viruses have been identified, the others soon will be known. When the few remaining ones are brought into the open, it will be possible to develop a serum to prevent poliomyelitis from attacking new victims. Research leaders believe that this work will be accomplished within the next two years.

"However," Chairman Sinclair continued, "the fight is not over.

Now that success is within our sight, we must fight all the harder to make sure that we achieve it. Research has brought about tremendous gains in the battle against the great cripple, and we must continue to study polio in order to conquer it once and for all. In the meantime, there are still stricken children who need proper medical care. Both research and care are the jobs of the March of Dimes."

Of every dime collected in Arlington, five cents stays at home to treat those who need March of Dimes service throughout the year. The other nickel is used by the national organization to develop and cure medicines and to aid epidemic areas. This means that every dime you give goes to work in two ways to combat fully the viruses that, every year, cripple so many of our loved ones.

This year more than any in the past, it is important that the March of Dimes receives your personal support. With new hope for an end to polio, it is vital that Arlington continue to be one of the most generous towns in the Commonwealth.

Last summer's epidemic is not over for the young Arlington boy or girl who is still using crutches and braces to get about as a result of the disease. For him, the epidemic will not be over until he is walking again.

Dads' Club To Hold Benefit Card Party

On Wednesday night January 11th the Arlington Town Hall will be the scene of a Benefit Card Party staged by the Dads' of the Arlington Boy's Club.

General Chairman George Britwell announced this week that plans have been completed for another pleasant evening for the adult friends of the Boy's Club. A radio donated by Maurice Sandler, president of the Arlington Boy's Club will be the main prize.

Winslow Blaney, Ticket Committee Chairman has several hundred tickets distributed for the event and the announced purpose of the benefit is to continue underwriting the operating and maintenance of the Boy's Club bowling program. This is the main objective of the Dads' of the Arlington Boy's Club for the 1948 - 1949 club season.

Several other attractive prizes have been received to be used as door prizes and each table will have an individual prize to be awarded to the high score at each table. Jack Donaldson is in charge of the Prize Committee.

Light refreshments will be served during the evening by the members of the Boy's Club Intermediate Council headed by Paul Grady. Also on tap for a treat will be some light entertaining by the members of the Boy's Club Troupe "The Wranglers" led by "Top Hand" Bob Harmon and directed by Bob Munsed.

Working with Mr. Birtwell are the following Dads' Club members: William R. Bennett, Bill Copithorne, Wesley McSorley, Albert Porteus, Willard Locke, Charles Pigott, John Cadagan, Miller Laufman, John Babine, William "Ike" Canty, Harold Anderson and Robert Adams. Tickets can be secured from any of the above, or at the Boy's Club and for late comers at the door of the Town Hall the night of the Party.

POSTMASTER MCGINNIS EXTENDS THANKS

Postmaster R. A. McGinnis, elated over the fine way in which the largest mail volume in the history of the Arlington district was handled, takes this opportunity of expressing the appreciation both of himself and the personnel of the Arlington post office to the press and to the general public.

"The fine cooperation we received from the public by their early mailing of gifts and greetings is the primary factor in our success this Christmas. Despite the fact that all records were shattered we were still able to get it delivered for Christmas because we received it early enough. Had he public held off one day later it would have meant that thousands of pieces of mail we delivered on Saturday would have been held until Tuesday."

"I cannot commend the press and radio too highly. Every facility was placed at our disposal in order for the postoffice to encourage mail deposits. Current news stories, daily statistics, pictures of mail volumes, all summed up to the grand total of 200,000,000 Christmas cards and letters handled in the Boston-Suburban area in December and dispatched in time for Christmas," said the postmaster.

Postmaster McGinnis expressed the wish that the same measure of mutual cooperation between the postal personnel and the public would continue and even expand in the year of 1950.

Rindge Tech Early Score Beats Arlington High 1-0

By FRANK MAHONEY

The first 30 seconds of play told the story at the arena on Saturday afternoon, as Rindge Tech of Cambridge, led by right wing Jimmy Duffy, lit the red light for the only score of the game, to beat the Arlington High sextet 1 to 0 in a rough and ready feature fray of the Greater Boston League's third session of the season.

Jim Mulrey, son of the well known hockey official, "Should have stayed in bed" for it was a very bad day for him. While Jimmy was dressing for the game he lost his helmet and then he broke his shoelace. When the game got under way he tripped an Arlington lad and not only drew a penalty but as both boys fell to he ice he landed on his face and hat cost him two upper teeth and a cut tongue that required three stitches and also a cut lip that need four stitches to pull it together.

RINDGE CARRIES FIGHT

Rindge not only lost its center for two periods, but Jim Duffy who scored the only goal had a very heavy cold and could not stay on the ice long. The Arlington club was at full strength with its bowl footballers back on skates and they used a full set of five spares. Rindge however refused to be worn down and carried the battle to Arlington all during the three periods.

Tempers were at the boiling point during the middle of the second period and that no serious fight broke out was due entirely to the good coaching of both clubs and officiating. One of the unusual twists of hockey happened when an offside whistle which was blown with about four seconds left to play, went unheard and the buzzer to end the game went off on schedule. The Medford-Latin players who had next ice stared on to the arena and had to be shooed off by the officials in order that the offside penalty might be given and the game played off.

The new ice was hardly scratched when Jim Duffy right wing of Rindge soloed in for the only score. Shortly after the face off, Arlington penetrated the Rindge zone but Duffy got possession of the puck turned on the speed and sailed for the Arlington nets being guarded by goalie Gordon Russell of Arlington and in 30 seconds the puck was tucked into the cords for the Rindge first and winning score. From hen to the double finish it was a battle royal on ice.

Medford eked out a 1 to 0 victory to remain unbeaten and untied and atop the league. Melrose beat Newton 3 to 1 to stay in a tie for second place with Rindge. The other of the day saw Stoneham, in a red-light parade, score four goals in the last three minutes to beat Belmont 9 to 6.

EXPERT ADVICE ON HAIR TREATMENT

It is fallacy to believe that only women are troubled with the problem of superfluous hair. Many men suffer the annoyance of a heavy dark beard, bushy eyebrows, extremely heavy growths on shoulders, chest, back, arms, hands, etc. The Thermiquetron System of Epilation has found that these men wish to permanently relieve themselves of this annoyance and have been most satisfied with the speedy, safe results gained through Thermiquetron.

Men who consider it a necessity to shave twice daily and who feel that excessive hair on face or body constitutes a hindrance to the well groomed look necessary in this modern age, definitely find that the permanent removal offered by the Thermiquetron System of Epilation is the only solution.

Thermiquetron patients among men range from those who merely wish to have their eyebrows thinned, to those who wish to have all the hair on their shoulders, back, arms, legs, permanently removed. In all cases, permanent removal was achieved in the fastest possible time, making Thermiquetron the most inexpensive method for permanent removal available.

Kiwanis Meeting

The guest speaker at the luncheon meeting of the Kiwanis Club of Arlington, today (Thursday) at 12:15 noon, at the Arlington Boy's Clubhouse, will be Edward Power, vice president of the Boston Garden. Members may bring high school of college sons as guests.

Member Of Dance Club

Miriam I. Olson, daughter of Mr. Gordon L. Olson, of 85 Columbia rd. is a member of the Modern Dance club at Bates College. She is a sophomore, majoring in chemistry. A graduate of the local high school, she was prominent in athletics and an honor student.

VETERANS SERVICE OFFERS TIPS FOR SPEEDING UP DIVIDENDS

The Director of Veteran's Services at Arlington, has been advised by Mr. Walter V. Robinson, Veterans Administration Insurance Officer for the Boston Regional Office, 17 Court street, that failure of some veterans to give correct addresses in applications for the special dividend on National Life Insurance has caused return of the application acknowledgment cards to the Central Office of the Veterans Administration in Washington. For this reason, Mr. Robinson now advises veterans who have waited a reasonable length of time (at least sixty days) and have not received acknowledgment cards, to send new applications.

"New applications should be marked 'DUPLICATE' very clearly above the name which appears on line 1, in order to prevent confusion in the Central Office records," Mr. Robinson said. "If the applications are so marked, the Central Office will be able to correct its address records and thus delivery of acknowledgment cards and later, dividend checks will be facilitated. Veterans are reminded that special dividend application forms may be obtained at any postoffice, Veteran Administration Office, veteran's organization headquarters or at the Department of Veteran's Services."

"We are receiving letters from many veterans who have moved since mailing their dividend applications, and who wish us to forward their new addresses to Washington so their checks will not be misdirected, and I would like to remind all veterans that instructions on the dividend application form reads as follows: 'Furnish an address where mail will reach you for at least six months. If your address changes, supply your postmaster with a forwarding address. Any change of address which has to be made by the Veterans Administration in connection with this application will cause delay in paying the dividend'."

Mr. Robinson explained that the writing and mailing of special dividend checks will be a huge operation in Washington, that the mailing addresses given in the dividend applications have already been in-

1950 Heart Campaign Starts January 11

With the opening of the 1950 Heart Campaign just over a month away, plans are being formulated and many chairmen for the Greater Boston area have already started organizing committees, it was announced yesterday by Christian Herter, Jr., State Chairman of the Campaign.

"The Commonwealth's goal of \$350,000 will be sought between February 1, and February 28," Mr. Herter said. "This amount is needed by the Massachusetts Heart Association to finance programs of research, education, and community service which is already being conducted, and to launch other new projects which will be beneficial in the fight against Heart Disease."

Mr. Herter reported that the following have accepted chairmanships in the Greater Boston area: Mayor-Elect John B. Hynes, Honorary Chairman for Greater Boston; William W. Drummey, Chairman for Greater Boston; George D. Aldrich and Mrs. Henry F. Mason, Jr., co-chairman of Special Gifts for Greater Boston; Mr. William Cantor, Cambridge

RED CROSS NEEDS VOLUNTEER HELP

Veterans and servicemen at local federal and military hospitals are constantly in need of assistance to help brighten their long hours of confinement.

Work with simple arts and crafts has proved to be one of their most enjoyable pastimes and volunteers are trained by the Boston Metropolitan Chapter of Red Cross, Arts and Skills Service to teach this work.

Late in January, classes for Red Cross volunteers will be held in leather work, Swedish weaving, making of felt animals and shell jewelry, these being among the most popular crafts with the fellows.

There is urgent need for Arts and Skills volunteers at Chelsea Naval, West Roxbury Veterans and Murphy General Hospitals and any man or woman with a few free hours a day, one day a week is needed in this Red Cross volunteer service.

Classes for Red Cross Gray Ladies are planned for the middle of January. This is another very vital service in our federal and military hospitals.

A Red Cross Gray Lady helps out in so many odd jobs essential to the happiness of hospital patients. It's a service that brings untold personal satisfaction to the volunteer.

Volunteers interested in either of these services should contact the Boston Red Cross headquarters at 17 Gloucester street, Kenmore — 6-6226 and register as soon as possible.

Square Dance Tonight

The weekly program of square dancing interrupted by the holidays, will continue as usual on Thursday evening at the Junior High East gymnasium beginning at 8:00 p. m.

Instruction in the various phases of square dancing will be given by Dick Delery assisted by Miss Kay McCarty. Music is furnished by recordings.

A large crowd is anticipated by the Park Department at the next dance, tonight. A normal fee of fifty cents including tax is charged at the door.

New Daughter For The Egans

Gail Ann is the name bestowed upon the daughter born to Mr. and Mrs. G. Edward Egan, Jr. (Dorothy Whiting) of Arlington, on December 14th, at the Symmes Arlington hospital. Sharing grandparent honors are Mr. and Mrs. A. Whiting of Belmont and Mr. and Mrs. George E. Egan, of Belmont.

State Department Offers Two Restaurant Courses

The Massachusetts Restaurant Association in cooperation with the State Department of Education are offering two courses in connection with the University Extension Program according to an announcement just made by H. Mark Strong, Jr., Executive Secretary of the Association.

Mr. Strong pointed out that one course will be designed to teach the technique of being a gracious hostess as well as the knowhow of being a good waitress. The course is designed to help high school and college girls seeking summer employment as well as restaurant operators who desire to have a definite knowledge of this phase of their business. Miss Virginia Williams, a recognized authority in the industry who has had considerable practical experience both as a waitress and hostess, will conduct the classes which will meet at the Association's headquarters, 71 Newbury street starting early in February.

The second course will be held at Massachusetts Institute of Technology and will include subjects pertaining to Restaurant Management. One of the Directors of the Association will conduct this course.

Registrations for both courses are now being received at the State House at the Massachusetts Restaurant Association, 71 Newbury Street Boston.

Appointed Head Of Heart Campaign

John J. Del Monte, Massachusetts Commissioner of Labor and Industries, has accepted the post of State Labor chairman for the forthcoming 1950 heart campaign. The drive will be conducted in February to raise within the state, the sum of \$350,000 to carry on heart research, education and community service.

Commissioner Del Monte long has been active in community affairs, such as the Red Cross, United War Fund drive, Community Chest, Stage Door Canteen, and served in the Coast Guard reserve. He has acted as both president and vice president of the Massachusetts state federation of labor and formerly was commissioner of the Post of Boston Authority. In earlier years, he held official positions in various labor organizations.

The 1950 Massachusetts heart campaign will be held simultaneously with the national drive of the American Heart Association, which seeks the sum of six million dollars during the month of February.

Many Violators Reported Nursing Home Licenses

A recent appeal to the members of the Massachusetts Federation of Nursing Homes to report to its General Counsel the names of firms and individuals operating nursing or boarding homes without being licensed as required by Section 71 of Chapter 111 of the Massachusetts General Laws, has enabled the Federation headquarters to report many violators to the authorities for investigation. The law provides a \$500.00 fine for the first offense and for a second offense, a fine up to \$1,000.00 and 2 years imprisonment for those convicted of operating unlicensed homes.

The Federation members are fully justified in their efforts to curb the illegal operation of nursing and boarding homes since those which have been licensed are required to maintain very high standards for the safety and well-being of their patients. Many licensed homes have been required to spend thousands of dollars for fire protection and sanitary facilities in order to renew their licenses and it is manifestly unfair that other individuals be allowed to continue to operate their homes without the supervision which the law requires.

The general public is urged to become familiar with conditions in the various communities so that no chronically ill or aged person may be placed in any but duly licensed and state supervised homes.
